**Mayor Quinn** – Seeing that it’s in the Daily Times, I want to congratulate our Police Department, the surrounding police departments and CID with the arrest of two subjects that were involved in the robbery and shooting in the park on Llanwellyn Avenue last Thursday morning at 3:38 in the morning and today is Tuesday, the subjects were arrested and in jail and I think that’s very good outstanding Police work by all the departments involved. As always, I want to urge the public if you see anything out of the ordinary call the Police that’s your first line, call the police. They will respond even if you think its minor, call them.

**President Danzi** – I concur. You’d be surprised how many people have told us many times they were brought up that you don’t call 9-1-1 for an emergency, someone has to be seriously ill or a serious problem before they call 9-1-1 and we know for a fact a few incidents people had a suspicion that something wasn’t correct yet just didn’t want to call 9-1-1 because they weren’t sure. It’s important, pick up the phone the Police are all nice gentlemen down there and ladies, they will respond with a smile, I’m sure. Thank you.

**PRESIDENT DANZI** – Now, a motion to go out of the regular order of business to hear from the public tonight.
