**MAYOR BATHURST** – Just a couple of items of interest for Council. With the Eagles weekend we had no incidents in town. We had a couple of extra men in. The Obama train going through town was again no incidents, everything went smoothly. Statistically, for Council the year of 2008 generated 8,121 radio calls for our Police department to answer. That does not include people that stop at the station or people that phone directly to the station, but 8,121 calls is a lot for a borough of our size and it's unfortunate that Mrs. Boland is not here because she would be interested in knowing that over the course of the year our officers issued 3,326 parking tickets here in the Borough of Glenolden, so they were very active and very productive and that's about it.

**President Danzi** – Thank you for that info.

**PRESIDENT DANZI** – Now, a motion to go out of the regular order of business to hear from the public tonight.
