**Mayor Quinn** – We swore in two new Part-time Police officers tonight and I hope they are safe in their duties and I hope that the public will call in any suspicious activity that they see. They don't have to give their name but they have to send the police. I was informed of a couple things that people didn't want to call in, they must call in to get the police to check it out, even if it's nothing, it could be something and that's all I have.

**President Danzi** - Good advice. I hear the same thing more and more, people still believe that only call 9-1-1 in such an emergency where somebody is injured or hurt or something catastrophic happens and not just to report a potential suspicious incident, so we'll have to work on getting that word out there. We'll send the Chief door to door and notify all 7500 residents. Anyway, good advice.

**PRESIDENT DANZI** – Now, a motion to go out of the regular order of business to hear from the public tonight.
