**BIDS & CORRESPONDENCE** – One piece of correspondence. Dear President Danzi, On behalf of the Glenolden Historical Commission and the Glenolden community, we wish to thank council members, the borough office employees and a “historic” thank you to our maintenance department. The confidence council awarded us was appreciated. We look forward to our work in the coming years to utilize the Glenolden History Center to promote our history and to work with the library to assure its historical standing. The borough office has given us guidance and cooperation through all our events and this year is no exception. Please express to them our expressed thanks. The maintenance department truly went beyond the “call of duty”. They cleaned, painted and added extra frills for our event. It was a challenging transition, but we could not have done it without the great work of the borough maintenance. They took pride in our project, and worked with us to assure the transition was a smooth one! Please convey our gratitude and appreciation for all their hard work. The community of Glenolden and Glenolden’s generous business community enable us to continue “Making history in Glenolden.” Sincerely, Caroline Fairfield and Donna Rothe.
