**Mayor Quinn** – It was brought to my attention that people are going around claiming to be utility workers and they get the people out in back of their house to show them what work they have to do and while they're out the back somebody out front robs them, so i want to warn all residents to beware. If someone comes to your door call the police and let the police check them out to make sure they are utility workers. They usually don't come and tell you what they're going to do in the back of your house, so it's a scam, they get you out and rob you. Anything strange happening call the police, anything in your neighborhood that doesn't look kosher, call the police. They'll check it out. And finally, it's Red Ribbon time again; a campaign for public and community education for a commitment to drug-free healthy lifestyles by wearing and displaying a red ribbon. Therefore, be it resolved that the Borough of Glenolden hereby declare October 23-October 31, 2014 to be: **RED RIBBON WEEK; WORKING TOWARD A DRUG FREE COMMUNITY.** And that's all I have.
