RE: Glenolden Borough Police Website Public Information

In 2015, the Glenolden Borough Police Department will be one of 336 Municipal Police Agencies, along with the Pennsylvania State Police, conducting traffic enforcement in conjunction with the Pennsylvania Department of Transportation (PennDOT) on 474 identified roadways throughout the Commonwealth of Pennsylvania.

From March 23, 2015 to May 3, 2015 Glenolden Borough Police will be targeting Aggressive Driving Enforcement in Glenolden Borough and from May 18, 2015 to May 31, 2015, Glenolden Borough Police will be targeting Seat Belt Enforcement (PA BUCKLE UP) in Glenolden Borough along with 15 other eastern states participating in the Border to Border seat belt enforcement.

These enforcement mobilization efforts are aimed at reducing the number of traffic accident fatalities on the roadways and improving all aspects of safety measures while operating a motor vehicle.

When driving a motor vehicle, we ask that YOU fully concentrate on DRIVING the vehicle and not become distracted with any other issues including texting while driving or using any other forms of electronic devices.

The Pennsylvania vehicle code section 3316(a); Prohibition of text-based communication while in motion carries a \$50.00 fine.

The Pennsylvania vehicle code section 3802; Driving while under the influence of alcohol or a controlled substance carries fines, driver license suspension and or imprisonment. This may include driving while under the legal influence of prescription medication as well.

Glenolden Borough Police ask that before you drive a motor vehicle; be alert, sober and drive safe to get to your destination.

DRIVE TO STAY ALIVE.
